Publication Fees:

IJSAR Journals is a self supporting organization and does not receive funding from any institution/government. Hence, the operation of the journal is solely financed by the processing fees received from authors. The processing fees are required to meet operations expenses such as employees, salaries, internet services, electricity etc. Being an Open Access Journal, IJSAR Journals does not receive payment for subscription as the journals are freely accessible over the internet. It costs money to produce a peer-reviewed, edited, and formatted article that is ready for online publication, and to host it on a server that is freely accessible without barriers around the clock. We ask that - as a small part of the cost of doing the research--the author, institution, or funding agency pays a modest fee to help cover the actual cost of the essential final step, the publication.

IJSAR charges of amount towards publication fees of **Rs. 1200 INR / 100 USD / 80 EURO** for two authors upto 2000 words, for every Addition author **Rs. 500 INR / 50 USD / 30 EURO** extra to be paid and/or for every additional 750 words **Rs.500 INR / 50 USD / 30 EURO** extra, to be paid either in Demand draft or Cheque of Nationalize Bank drawn in favour of “**International Journal of Sciences and Applied Research (IJSAR)**” payable at Ahmedabad,
